Fleet and Family Support Centers (FFSC) provide short-term, counseling and crisis intervention for active duty service members and their spouses.

In addition to individual and marital counseling, FFSC provides several counseling

support groups and classes. At FFSC, each of our counselors holds a masters or doctoral degree in Social Work, Counseling, Marriage and Family Therapy, or Psychology.

Support groups may be available, as well as emergency counseling or crises counseling. Our counselors also provide command consultations and crisis debriefs.
