The mission of Homeward is to prevent, reduce and end homelessness by facilitating creative solutions through the collaboration, coordination, and cooperation of regional resources and services.

Homeward pursues and provides public education about homelessness and the service delivery system in our region through training and volunteer opportunities; presentations about our homeless services delivery system; annual publications and handouts; and access to service guides, data, and analytical research.

If you are in immediate need of housing services, please do not call Homeward's main office. Staff is administrative only and cannot help you with a housing crisis. If you are within 3 days of losing housing, call The Homeless Connection Line: 804-972-0831. If you are more than 3 days away from losing housing, call The Housing Resource Line: 804-422-5061
