Therapeutic Recreation programs offer a variety of programs. Provides opportunities in community recreation participation, swimming, after school activity, fitness programs, and summer day programs. Programs range from enrollment in therapy based and/or skill development programs, activity adaptations in general recreation programs to identification of available community resources.

Friday Night Social allows socialization with peers. Call about after school programs.

Therapeutic Recreation, as a profession, uses treatment, education and recreation services to help people with illness, disabilities and other conditions to develop and use their leisure in ways to enhance their health, independence and well being.

Available to youth, young adults and adults.

Service Area(s)

Virginia Beach City
