Martinsburg VA Medical Center has a fully integrated inpatient and outpatient primary care program and provides a full range of outpatient services. The Martinsburg Veterans Medical Center is a 69-bed primary and secondary care facility, providing medical, surgical and psychiatric outpatient services. Each veteran is assigned a team of health care providers that follows the patient's care both as an inpatient and an outpatient.

Offers 178 nursing home care beds and 312 domiciliary care beds.

Services offered are alcohol-drug rehabilitation unit, audiology and speech pathology, homeless domiciliary program, inpatient hospice, intensive care unit, mental hygiene clinic, nuclear medicine, pulmonary function lab, primary care, same

day surgery and traumatic brain injury treatment.

Community-based Outpatient Clinics are located in Cumberland and Hagerstown, Maryland and Stephens City, Virginia. A Contract Outpatient Clinic is located in Harrisonburg, Virginia.

Martinsburg is part of the Capitol Health Care Veterans Integrated service Network # 5. Affiliated with George Washington University School of Medicine and West Virginia University School of Medicine.
