The Community Based Outpatient Clinic (CBOC) in Wytheville is a medical facility that functions as a Primary Care clinic, providing most common outpatient services, including health and wellness visits.

- The CBOC is disability accessible.
- Referrals for specialty services through the Salem Veterans Affairs Medical Center.
- Routine laboratory and x-rays as requested by the provider at the clinic.
- Medications as prescribed by the provider at the clinic, and processed through the mail.
- Preventive health screenings.
- Mental Health services are available and include individual, group, and family counseling.
