Virginia NeuroCare operates High Street Clubhouse in Charlottesville for adults with acquired or traumatic brain injury. Members have the opportunity to develop social

and functional skills in a supportive, real world environment and achieve goals of regained independence.

Clubhouse members are actively involved in daily operation of the Clubhouse through a "work-ordered day" which leads to improved work skills and behaviors that support community and vocational re entry.

The High Street Clubhouse is run by NeuroRestorative in partnership with Virginia NeuroCare. [Visit NeuroRestorative.com](http://NeuroRestorative.com) to learn more.
