Event Description

Please join Project Mend-A-House (PMAH) for our Superhero Bunco Tourney. All proceeds will go to benefit a veteran family with a special needs daughter who desperately needs a new roof! This is your chance to be a superhero to a real hero and his family!

Tickets INCLUDE wine, food, a door prize ticket and one BIONIC BUNCO BEVERAGE (sponsored by BION, thank you!) You can win prizes for: Most Buncos / Most Baby Buncos / Most Snake Eyes / Most Wins / Most Losses / Last Bunco.

If you have never played Bunco, you are in for a treat! Bunco is a fun & easy, quick to learn, dice game. If you can roll dice and count to six, you can play Bunco!!! It's that EASY and it is a LOT of fun! And don't forget the WINE!!! Lots and lots of WINE (included in your ticket price, as well as some fabulous food!).

Even better, your \$45 ticket purchase will help make our community a better place! We have a veteran family that needs a new roof, desperately. They have served their country and now they need help. Since Bunco is very popular among military

families, who better than a veteran to be the evening's beneficiary? It's not every day that we can be Superheroes! This is your opportunity!

Don't know how to play? NOT A PROBLEM! We will spend the first 15 minutes of the evening with a quick Bunco tutorial. It really is super easy!

Only a limited number of tickets are available. We CANNOT guarantee you will get to play if you want to pay at the door so get your tickets early!

Please email lizw@pmahweb.org or call 571-264-9228 with questions, information about sponsoring this event or if you do not want to pay online. Tickets are \$45 and INCLUDE WINE, soft drinks and food!

Purchase Tickets online here! <http://www.pmahweb.org/bunco.html>

Project Mend-A-House is a 501c3 that helps seniors, veterans and people with disabilities remain safely and independently in their homes. Your support makes a difference!

Sponsorships still available! Contact Liz Witt-Lee (lizw@pmahweb.org) or call 571-264-9228 for more information!
