Date and Time
Wednesday 10/21/2020 1:00 to 6:00pm
Event URL
[Flu Shot Clinic](#)
Event Region
Southwest Virginia
Event Type
Community event
Event Description

Mount Rogers Health District, along with the Twin County Community Foundation, will be offering free vaccines to residents of Carroll and Grayson Counties and the City of Galax at vaccine clinic events. Flu vaccination will be critical this year as we navigate the COVID-19 pandemic. We encourage everyone to come get a free flu shot at a clinic and to take advantage of additional vaccine options at the local health department. . Only seasonal influenza ("flu") vaccine will be offered at these community events. The Carroll County clinic will be held Wednesday, October 21 from 1 – 6 p.m. at Carroll County Middle School, 1036 North Main Street, Hillsville. The Galax clinic will be held Wednesday, October 28 from 1 – 6 p.m. at Galax Parks and Recreation, 601 South Main Street, Galax. Do not attend if you are sick with COVID-like symptoms. Please wear a face covering when attending. Wearing short sleeves or sleeves that roll up will speed things along. A parent or guardian must accompany those under the age of 18. Vaccines will be free of charge to patients as long as supplies last. For more information or to register for an appointment, visit http://www.gotvaccines.com or https://is.gd/MRgrants.
