Project Success is a basic education, GED preparation, and career counseling program for youth and adults who need a high school equivalency diploma. A computer-aided instruction lab offers state-of-the-art educational software for all stages of adult education. We also work with school systems to provide GED preparation as an option for completing high school for those experiencing difficulty in the traditional school setting.

A computer-aided instruction lab offers educational software for all states of adult basic education. Classes are located at the Roanoke Higher Education Center, 108 N Jefferson Street, Suite 303, Roanoke VA 24016.

Also offers literacy training to citizens who cannot read or who wish to improve their reading skills.
