White Stone Family Practice, also known as Riverside White Stone Family Practice, offers comprehensive medical care to the family. As board certified family practitioners, the doctors are trained to care for a wide variety of medical needs for all members of the family, including adults, adolescents and children. The practice has 11 exam rooms, 2 procedure rooms, x-ray and lab facilities.

White Stone Family Practice also performs geriatric, cognitive, ADL/IADL, medication and functional assessments, physical exams, osteoporosis, fall risk evaluation and evaluation and management of incontinence.

This practice also screens for hearing, vision and memory loss as well as depression, anxiety and immobility. Doctors offer a complete nutritional and diet review, in-office stress testing, EGD and colonoscopy.

Service Area(s)

Lancaster County
