Regional Adult Education Program of Lee, Scott, Wise and Norton offer free adult education classes.

Classes are for students, 18 years or older for the General Educational Development (GED) test. Classes are designed to improve reading, writing, math skills, and basic life skills. Also assists students in preparing for the GED. Adults have free textbooks, supplies and at most sites, access to the internet.

Persons with a disability (documented by a qualified professional) may be entitled to receive reasonable testing accommodations. Accommodations may include Braille or large-print editions, vision-enhancing technologies, use of video equipment, use of talking calculators, and sign language interpreter.
