Pathways Treatment Center, a service of Centra Health, is a nonprofit chemical dependency (addiction to alcohol or drugs) treatment program. Fully licensed and accredited, Pathways offers a broad spectrum of treatment ambulatory (outpatient) services including detoxification, day treatment, on-site hotel services with 24-hour supervision, intensive outpatient, Family Program and continuing care programs. Since the inception of Pathways For Women in 1996, Pathways has provided gender specific treatment.

Another PATH Program, a four-week education program, is designed to promote knowledge and insight regarding the use and abuse of and the dependence on alcohol and/or other drugs.

A residential in-patient treatment, day treatment and intensive out-patient treatment program for alcohol and other drug abusers and their families. Twelve month aftercare for patient and three month aftercare for family or significant other.
