Temporary Assistance for Needy Families (TANF) and the Virginia Initiative for Employment, not Welfare (VIEW) provide eligible families with monthly cash payments to meet their basic needs. Participants may be provided with services such as job skills training, work experience, job readiness training, child care assistance, transportation, and other work related expenses. For TANF benefits the family must have a child under the age of 18, or if 18, will graduate from high school before age 19, going to school regularly if he is between the ages of five and 18, living with a parent or other relative, and A U.S. citizen or an eligible immigrant.

The TANF program initiative has time to limited benefits, a strong work requirement, and a social contract that sets out the responsibilities of and expectations for recipients of public assistance and the government.

For VIEW services, adults age 18 and over who are TANF eligible, and able-bodied parents are eligible to participate in employment assistance services. Please call for more information about documents required to provide, etc.
