Culpeper Housing and Shelter Services (CHASS) operates a 15 bed Emergency Homeless Shelter in Culpeper, VA. The shelter is for families and individuals who are literally homeless as a result of:

- Eviction
- Loss of home through fire
- Loss of employment
- Economic disparity
- Family/Medical emergency
- Other unforeseen circumstance

The emergency shelter houses up to 15 people in a group setting. Kitchen and common living area are shared. Families and individuals learn to get along and work together, many times offering help to one another to accomplish their goals. The shelter provides a temporary place to stay while dealing with crisis issues. It gives them the time to regain control of their lives and focus on residential stability.
