FACETS (Fairfax Area Christian Emergency and Transitional Services) provides supportive and long-term housing for homeless individuals and families who are homeless. FACETS programs operate using a "Housing First" approach, focusing on getting people into housing first and then working with a case manager to guide them to housing stability, career development, child care, medical assistance and other basic needs.

Linda's Gateway features four apartments for homeless families.

Home Connections, TRIUMPH and TRIUMPH II are supportive housing programs for chronically homeless adults.
