The Virginia Sun Wheelers provide programs for mobility-impaired athletics to build strength, confidence, enhance independence and contribute to their overall health and well being.

The Sun Wheelers raise awareness of wheelchair athletics and the organizations that sponsor adaptive sports programs on the local, regional and national levels. Adaptive sports include basketball, bowling, hand-cycling, skiing, softball, shooting, tennis, track and field and triathlons.

Call for information about the Sun Wheelers' programs for basketball, golf, handcycling and skiing.
