EnergyShare is a year round crisis program of Dominion Energy of last resort that helps pay energy bills for any type of heating and cooling source (oil, natural gas, propane, kerosene, electric) for those who qualify. EnergyShare is not income-based so any customer in crisis is eligible to apply. Individuals and families who are

struggling financially may apply for assistance once per season. Applications are reviewed on a case-by-case basis to determine eligibility. Individuals 60 and older are eligible for additional assistance. Applicants for the Dominion Energy, Energy Assistance Program must complete the application and the intake form in full providing all requested information.

EnergyShare funds are distributed by Salvation Army, Alexandria.

Virginia Department of Social Services Fuel programs and any other assistance known available at the time of application must be applied for before Energy Share is utilized. Applicant must list all other attempts to receive assistance on the application. Applicant must also provide various documents. Visit the website for application and more information
