Programs offered in the special units of Mt. Vernon Hospital that provide diagnostic and treatment to those who have acute or chronic mental or emotional disturbances, require hospitalization for maximum benefit, and who might be a threat to themselves, to their families or to others if left in the community or placed in a less restrictive treatment setting. The units offers treatment for life-threatening: depressive disorders; reactions to situational crises; obsessive/compulsive disorders; anxiety/panic disorders; substance-induced disorders; and other psychiatric disorders.
