The Prince William Health District (PWHD) operates multiple programs to protect and improve the health and well-being of its residents. Services provided include:

- Immunizations
- Environmental health services, including restaurant and pool inspections
- Confidential diagnosis, treatment, and counseling for sexually transmitted diseases
- Tuberculosis screening and diagnostic chest x-rays
- Confidential HIV testing and early intervention services
- Nutritional education and food vouchers for women, infants, and children (WIC) clients
- Processing of marriage, divorce, birth and death certificates
- Every Woman's Life breast and cervical cancer screenings
- Investigation and response of emerging diseases of public health threat and other reportable diseases

Services are provided at several different locations throughout the community.

Service Area(s)

Prince William County
