FACETS, Fairfax Area Christian Emergency and Transitional Services, offers a hypothermia prevention and response program. FACETS offers safe places to sleep and nutritious meals to men and women who are homeless. This program is one of five operated across the Fairfax and Falls Church area in partnership with the Fairfax County government. The shelter opens generally on December 1st and runs through March. Various faith communities join with FACETS to aid chronic homelessness. Many churches in the area take part in this shelter program.

FACETS staff offers meals and personalized case management to all guests who want to participate. Call for pick up locations and more details.
