Fee Structure

No Fee

Languages Spoken

English

The Emergency Home Repair and Rehabilitation for Homeowners programs provide emergency home repairs to improve living conditions for low income families and low income disabled and elderly persons by removing barriers to habitability and accessibility in their homes. Repairs are those that affect the health and safety of the residents of the home that, left undone, would make the home inaccessible, unsafe or unhealthy.

Eligible repairs can include plumbing, structural, electrical, roofing, wheelchair ramps, and handicapped accessible appliances.

Service Area(s)

Roanoke City

,

Roanoke County
