The Veteran Enhanced Transportation Service (V.E.T.S.) is a volunteer transportation program for veterans and their spouses, age 55 or older, who are unable to transport themselves and have no other means to access local necessary medical

services, doctors' offices, or pharmacies. This program is administered through a community partnership between the Prince William Area Agency on Aging (Agency), Volunteer Prince William, and RSVP-Greater Prince William. Call 703-792-6374 for more information.

RSVP will process requests for transportation and solicit volunteers to meet each individual need. There is no guarantee of service. Each request is based on volunteer availability.
