SoldierStrong 'SoldierScholarship' program represents our commitment to provide support for our military heroes that evolves along with their needs. As soldiers return from service abroad, education offers some of the best opportunities for them to provide for themselves and their families, and thrive in civilian life.

The SoldierScholarship program is open to all veterans who defended our nation's freedom and fought in the recent War on Terror (Operation Enduring Freedom, Operation Iraqi Freedom and Operation New Dawn). Our mission is helping soldiers take their next steps forward in their academic and professional careers and to fill any tuition gaps the Post-9/11 GI Bill may leave.
