We Honor Veterans is a program of the National Hospice and Palliative Care Organization(NHPCO) in collaboration with the Department of Veterans Affairs (VA), invites hospices, state hospice organizations, Hospice-Veteran Partnerships, and VA

facilities to join a pioneering program focused on respectful inquiry, compassionate listening, and grateful acknowledgment. By recognizing the unique needs of America's veterans and their families, community providers, in partnership with VA staff, will learn how to accompany and guide them through their life stories toward a more peaceful ending.

We Honor Veterans provides educational tools and resources to advance these goals:

- Promote Veteran-centric educational activities
- Increase organizational capacity to serve Veterans
- Support the development of strategic partnerships
- Increase access and improve quality

We Honor Veterans also provides tiered recognition to organizations, known as Partners, that demonstrate a systematic commitment to improving care for veterans.

The National Hospice and Palliative Care Organization is the largest nonprofit membership organization representing hospice and palliative care programs and professionals in the United States. The organization is committed to improving end-of-life care and expanding access to hospice care to enhance the quality of life for people dying in America.
