VA Adaptive Sports and Arts

Support for Disabled Veterans Participating in Adaptive Sports and Therapeutic Arts

About the Program

The Adaptive Sports Grant Program is facilitated and managed by the National Veterans Sports Programs and Special Events Office (NVSP&SE). The mission of the NVSP&SE office is to provide opportunities for Veterans to improve their independence, well-being, and quality of life through adaptive sports and therapeutic arts programs. VA awards grants to qualifying organizations to plan, develop, manage, and implement programs to provide adaptive sports opportunities for disabled Veterans and disabled members of the Armed Forces as authorized under 38 United States Code 521A.

Eligibility

To be eligible for a grant, an organization must be a non-federal entity with significant experience in managing a large-scale adaptive sports program. As per 38 Code of Federal Regulations 77, criteria for inclusion is defined as programs that are (1) affiliated with a National Paralympic Committee or a National Governing Body authorized to provide Paralympic sports, (2) an adaptive sports program of a National Governing Body that meets additional requirements, or (3) an adaptive sports program in which at least 50 persons with disabilities participate or the eligible participants reside in at least five different congressional districts.

Of note, federal agencies are not eligible to receive grant funding through the Adaptive Sports Grant Program. Federal agencies are encouraged to partner with non-federal entities to jointly create national, regional, and community-based programs that provide adaptive sports activities for disabled Veterans and members

of the Armed Forces.

Application Process

VA issues a Notice of Funding Availability (NOFA) through the federal government's designated grant portal ([grants.gov](https://www.grants.gov)). Please see the "Apply" tab for detailed information on the application process.
