Clinch Valley Community Action offers a coffee hour for Veterans and Veteran household members. The Veterans Coffee Hour is held every 2 months at Clinch Valley Community Action. Veterans Coffee Hour will provide opportunities for veterans, active duty military, and their family members to visit and enjoy a hot beverage and a snack while being provided with a variety of community service information. Family members of deceased veterans are especially invited to attend the meetings. Each session has a special focus and provides attendees with a community calendar of events, free activities and updates on services for Veterans.

All veterans, active service military or family members that attend are asked to bring ideas and suggestions for topics and focuses for future Veterans Coffee Hours.

This program is part of the Retired and Senior Volunteer Program (RSVP).
