The Haven is a multi-resource day shelter for people facing homelessness in downtown Charlottesville.

Housing Assistance: The Haven understands that homelessness is a housing crisis, and the solution to homelessness is housing. We offer housing support and assistance under [Housing Assistance Programs](#).

You must meet at least one of the following criteria in order to be potentially eligible for rental assistance under one of our housing programs:

- a previous experience of homelessness that can be documented AND must be currently living with family or friends (those living in their own rental/home do not qualify).
- you must be literally homeless, that is, living on the street, in an emergency shelter, in a vehicle or another place not meant for habitation. Those residing in a hotel or living with family or friends do not qualify.
