The Mortgage Reports offers information on VA Streamline Refinance which can replace an existing VA loan with another VA loan with a lower rate. It is called

streamline because it requires no appraisal and no verification of employment, income or assets to qualify.

The Mortgage Reports furnishes home buying loan tips, information on VA Loans, your loan eligibility and VA mortgage rates. A mortgage calculator is available online.

Visit the website, then call or email for more information.

A Contest (ending on December 31, 2017, is open to legal residents of the United States with a prize of \$5000 grant applied towards a home purchase, home refinance or home renovation loan. See [Rules of Contest](#) [Submit answers here:](#)
