REACHcycles, a chapter of AMBUCS, is an all volunteer non profit organization dedicated to creating independence for children and veterans with disabilities.

REACHcycles will conduct evaluations at our quarterly events by licensed therapists and VCU Student Therapists who are all trained and certified for properly fitting children for cycles. We have 25 trained therapists that will be conducting fittings throughout the year outside of these events. The best time for evaluation will be coordinated upon receiving all required forms, a therapist will then contact you and schedule a time. Contact Michelle Froede at [mlfroede@chva.org](mailto:mlfroede@chva.org) if you do not have a PT/OT to conduct evaluation.

The Amtryke Therapeutic Tricycle Program, a chapter of AMBUCS, is about abilities, not disabilities. Our goal is to provide people with disabilities with all the classic benefits of riding a bike: mobility, strength, exercise, coordination, interaction with family and friends, and just pure fun!

Amtryke makes foot trykes, hand trykes, and hand & foot trykes in a wide range of sizes--all at low cost. Nearly every rider can be successful, no matter their diagnosis, through our full line of highly adjustable trykes and myriad of adaptive accessories. View the sizing chart at website.

Call 800-838-1845 for information or with questions. Extension 116 is Customer Service.

Call for Virginia locations.

Note: Since Wheels on the James in Lynchburg was dissolved, the Richmond office has agreed to accept Lynchburg area applications so trikes can be provided for persons with disabilities.

Service Area(s)

Nationwide
