Webinar

Event Cost

\$0.00

Event Description

In celebration of Women Veteran Week, the Virginia Transition Assistance Program (VTAP) will host a series of financial literacy webinars to give transitioning military and Veterans information about how to plan for transition from the military. The benefit of signing up for these webinars is that you will receive up-to-date information about how to financially plan for your transition from the military, whether you are planning on retiring, going to get a bachelor's or master's degree, or planning to start your new career.

The webinars will also provide knowledge about how to reach financial goals. Additional topics include paying for college, financial independence, investment fundamentals, principles of personal finance, and more. Webinars are hosted by VTAP, but facilitated by financial advisors, who are experts in their field.

This webinar will:

- * Educate transitioning military and Veterans on financial literacy
- * Assist in planning for transition, whether it be retirement, school, or a new career
- * Offer tools and strategies to meet your financial goals

After registering, you will receive a confirmation email containing information about joining the webinar.

If you have any questions contact Bernadette Gilmore at (804)482-8512 or bernadette.gilmore@dvs.virginia.gov.
