Event Description

answering America's Call: Newport News in World War I, chronicles the transformation of Newport News as a result of the war. Visitors can learn how Newport News supported war efforts with the Newport News Shipbuilding and Drydock Company by viewing first-hand journals, letters, photographs and more. Viewers will also learn how the large influx of shipyard workers was accommodated through the construction of Hilton Village. Museum Admission price. Call 757-596-2222 for more information.
