Returning to the activities you need and want to do is an important part of recovery. The Occupational Therapy Program focuses on activities of daily living, such as dressing, grooming, eating, and homemaking. To ensure that Sheltering Arms offers the most advanced technology and treatment programs, the occupational therapists remain up-to-date on the latest research and certifications in their field and constantly update the rehab equipment. Sheltering Arms helps you find the Power to Overcome. Occupational Therapy focusses on the improvement of activities that you commonly perform throughout the day, referred to as activities of daily living (ADL).
