Event URL

[Health Department](#)

Event Region

Rappahannock-Rapidan

Event Type

Community event

Event Cost

\$0.00

Event Description

This year our health district has 500 doses of free flu vaccine to offer to the public (ages 3 years and up) at three flu clinics. No insurance is required to get a free vaccination at these drive through flu clinics, which help us practice mass dispensing in an emergency. During COVID it is especially important for everyone 6 months and older to get their flu vaccine. Do not attend if you are sick with COVID-like symptoms. Please wear a face covering when attending. A parent or guardian must accompany those under the age of 18. Here are the upcoming events we have planned: October 1, 2020 - Madison Volunteer Fire Department 4:30 pm - 7 pm; October 8, 2020, Fauquier High School, 4:30 pm - 7 pm; Thursday, October 15, 2020, Brandy Station Volunteer Fire Department 4:30 pm - 7 pm. Vaccines will be free of charge to patients as long as supplies last. No appointment is required. Call the health department if you have questions

You can call the Health Department at 540-317-4125 with questions.
