Event Description

Regional Roanoke Valley Community Health Assessment Survey: Carilion Clinic, in partnership with Healthy Roanoke Valley (HRV) and the Roanoke City and Alleghany Health Districts, is conducting the 2021 Community Health Assessment (CHA) of the Roanoke Valley. Key themes from the Community Health Assessment will be used to develop programs and initiatives to address community needs. We need your help gathering input! The first step of the CHA process is assessing the needs of communities through the Community Health Assessment Survey. Please complete and share the survey widely in order to help us gather this valuable input; the survey takes around fifteen minutes to complete. In addition. Thank you for your help in this important work. For more information, please contact Molly Roberts at mjroberts@carilionclinic.org.
