Northern Virginia Checker Cab, also known as Nova Checker Cab, is a taxi service that offers 24-hour transportation assistance for individuals in Northern Virginia, including airport shuttle service.

Ordering a cab "close to me" can be done on the Nova Checker's app or the website. You can receive text message updates on the location and status of the cab to keep track of its progress. If you call the office the system can provide you with an estimated arrival time and possibly speak with the driver.
