Event Description

The Transition Connection is a weekly source for jobs and resources for Veterans, Transitioning Service Members and Military Spouses in the Commonwealth. Do you have questions about life after military service? Do you have questions about employment? Would you like a team of experts to help? The Virginia Transition Assistance Program (VTAP) is ready to help you with these questions and assist you to make a smooth transition to civilian life. It can be difficult to explain military training and experience to civilians. We've been there, we get it, and we are here to help. If you would like to be connected with your regional VTAP manager simply email to VTAP@dvs.virginia.gov and let us know your location. We'll assist with resume writing, interview prep and connect you with V3 Certified Companies and job opportunities that fit your goals. Are you ready to attack your military transition?
