Event Description

Being a Good Relative: Introduction to Allyship with Indigenous Peoples - Online  
Wednesday, September 29, 3:30–5:00 pm More than ever, Americans are coming to understand the challenges that Native Americans face due to stereotypes, genocide, and land dispossession. Non-native allies are stepping up to support this new wave of social justice and environmental movements led by Native peoples. Join co-directors of the Bioneers Indigeneity Program, Alexis Bunten and Cara Romero, as they discuss ways to build meaningful partnerships with Indigenous Peoples. Free and open to all. Please register.
