Fee Structure

No Fee

Crohn's and colitis support group meetings are gatherings where patients and their loved ones can share their stories, seek emotional support, find answers to their questions, and connect with a community who shares their challenges.

In addition, support groups often organize informal, social events like picnics and luncheons, community volunteer days, informational workshops, family outings, and attend gala events.

You can find a support group near you by searching by state or ZIP code, or select your state at [Find a Support Group](#)
