Community event

Event Cost

\$0.00

Event Description

Virginia Department of Health (VDH) has a website where you can put in your zip code and find a test site for COVID-19. This does not constitute an endorsement by VDH. Unless otherwise noted in a site's description, all sites are sampling for PCR tests. There may be additional sites and the list is subject to change. Contact the testing location directly to make an appointment, if appointments are necessary; if you are contacting Walgreens, call the telephone number listed at your local Walgreens and speak to a pharmacist. For questions, please contact the VDH Call Center at 877-ASK-VDH3 (877-275-8343).
