Why Mobility Managers Can Be Transportation Game Changers

Mobility managers are transportation coordinators for older adults, people with disabilties, veterans, and other members of the riding public. They can help people "find a ride" by connecting them to transportation options in their communities.

The ADA and Accessible Ground Transportation

The Americans with Disabilities Act (ADA) applies to both public and private ground transportation providers. The ADA rules that apply to transportation are regulated by the U.S. Department of Transportation.
