

## **Private Providers**

Private companies offer various types of transportation, typically for a fee. Private transportation includes long-distance transportation, ride app services such as Uber or Lyft, and local or regional taxi services.

## **Why Mobility Managers Can Be Transportation Game Changers**

Mobility managers are transportation coordinators for older adults, people with disabilities, veterans, and other members of the riding public. They can help people “find a ride” by connecting them to transportation options in their communities.
